The Privacy Notice is incorporated into and governed by these Terms of Use. To the extent there is a conflict, the Terms of Use supersede the Privacy Notice. All other logos and trademarks may only be used with the express written consent of the IACIS Board of Directors.

If IACIS discovers use of copyrighted or trademarked material in contravention of the license above, IACIS may bring legal proceedings against the infringer by seeking monetary damages and an injunction to stop use of those materials in addition to other remedies provided by law. An infringer could also be ordered to pay legal costs. Certification holders may lose their ability to re-apply for certification or be granted additional certifications and may face censure from the membership if applicable.

If a counter-notice is received by the Copyright Agent, the Company will send a copy of the counter-notice to the original complaining party, informing that person that it may replace the removed content or cease disabling it in 10 business days. Unless the copyright owner files an action seeking a court order against the content provider, member or user, the removed content may be replaced, or access to it restored, in 10 to 14 business days or more after receipt of the counter-notice, at our sole discretion.

We may, at our sole discretion, limit access to the services and/or terminate the account of any user who infringes any intellectual property rights of others.
