

IACIS 2022 TRAINING EVENT COVID19 PLAN

IACIS is instituting requirements that are necessary to attend the event. This plan is subject to change based on updates made by the Center for Disease Control (CDC), along with State and Local health official guidelines. The status of the disease is still evolving and IACIS will monitor the situation and may amend this plan, as necessary, between now and the event to ensure the safety of all staff and students.

During registration at the IACIS training event

Release of liability – All attendees will be required to sign an agreement to adhere to the COVID19 plan and release IACIS of liability in the event someone becomes exposed to or contracts the COVID19 virus.

During the Training Event

The Caribe Royale hotel has instituted a plan to meet their needs. This plan can be found at <https://www.cariberoyale.com/covid-19-update>

IACIS supports the hotel plan and requests that our staff, students and vendors also follow the plan by:

- When indoors, guests are encouraged to wear a face covering.
- Guests are encouraged to maintain social distancing (6' distance).

Students who report feeling ill will not be allowed to return to the classroom until they provide a negative COVID19 test result.
